- Currently House Repairer

# California Standards - NGSS

---

- **Science and Engineering Practices**

- Developing Models, Interpreting Data, Engaging in Argumentation, Designing Solutions

- **Disciplinary Core Ideas**

- Content for the year

- **Crosscutting Concepts**

- Connection between learning

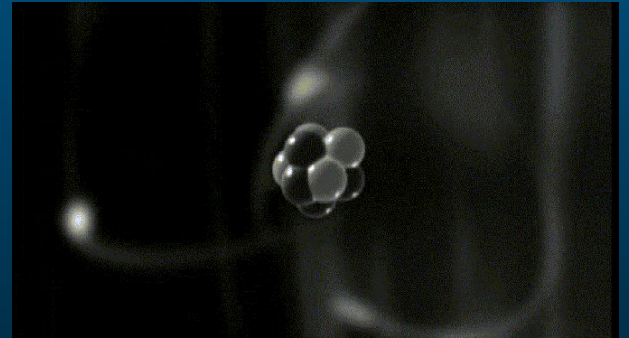

# NGSS Integrated Model - Science 7

---

## Units Covered:

- A. Matter and its Interactions
- B. Chemical Reactions
- C. Matter and Energy Flow in Organisms
- D. Ecosystems: Interactions and Dynamics
- E. Earth's Systems
- F. Earth and Human Activity
- G. Health Specific Topic

# NGSS Integrated Model - Science 6

---

## Units Covered:

1. Energy (Thermal Energy and Transfer)
2. Earth's Systems (Water Cycle, Weather and Climate)
3. Structure, Function, and Information Processing (Cells and Body Systems)
4. Growth, Development, and Reproduction of Organisms (Growth of Plants, Reproduction in Plants and Animals, Genetics)

# Daily Routine

1. Check Weekly Schedule
2. Complete Assignments in Modules
  - a. Discussions
  - b. Nearpod
  - c. Interactives
  - d. Virtual Lab
  - e. Notebook
3. Personalized Learning Time
  - a. Some homework
  - b. Check grades
  - c. Complete missing assignments

## Mr. Chau's Science Class

### Welcome 7th Grade students!

This year we will be learning more about science and how everything connects to each other. Topics covered this year includes Atoms, Chemical Reactions, Flow of Matter, Ecosystems, Earth's Systems, and Earth and Human Activity. If you are ever lost, check out the weekly schedule below or message me if you have any questions!

### Contact Info:

Email: [chau.alex@usd.us](mailto:chau.alex@usd.us)

School Phone: (626) 657 - 6405 (text preferred)
