**Calendar
of Events**

- **Effective Tuesday, March 10 through April 10, PUSD is postponing or canceling all public events that bring large groups of students, adults, and community members together.** Canceled or postponed events may be conducted online. Child care and extended day learning programs are still running to support working parents. This decision was made out of concern for the health of our community as a social distancing measure in light of COVID-19.
- These actions include:
 - School assemblies and performances
 - No Boundaries
 - Pasadena LEARNS Cheer competition
 - Math Field Day
 - All District and school level parent/community advisory committee meetings, including PTA events
 - School Open House events through April 10. These may move to an online sharing of student work
