

## Welcoming

### **If PUSD were to make changes in creating more welcoming environments, what improvements should be made to have the greatest impact?**

1. OE Lottery...Communication on OE at Sierra Madre MS...new families from different grade levels. Welcome back and connecting families
2. Facilities are clean, operational, classrooms are cheerful
3. Adequate supplies
4. Communication at school site needs to be consistent by teachers
5. Improve standards for getting info from teachers...online/automate
  - a. Create standards
6. Clear expectations...compact, clear, and consistent
7. Feeling safe: protocols for visitors, supervision of students, technology feel safe
8. Standards of behavior among staff
9. Better security = better 1st impression
10. Facility = maintenance, appearance, beautification = more welcoming
11. friendly/polite staff in office
12. Improved communication about registration process
13. Better signage on campus: More friendly facility for parents
14. Making schools aware of importance of welcoming environment
15. PTA backbone in place at schools
16. Use data as guide for active correction
17. Welcoming facility - receptive area
18. Not make parents jump through so many hoops to get involved
19. Communication to parents re: environment choices
20. Marketing = school websites should be updated to audiences
21. Front desk district and school - full time
22. Community assistant
23. Customer service
  - a. Training
  - b. Attitude/Enthusiasm/Willingness
  - c. All positions
    - i. Admin
    - ii. Teachers
24. Parent participation
  - a. Intro & timing (early)
25. District Wide! Welcome event at every site0
