

Teacher/Parent/Student Contract

Teacher's Homework Responsibilities:

I believe homework is important because it is a valuable aid in helping students make the most of their school experience. Homework is given because it is useful in reinforcing what has been learned in class, preparing students for upcoming lessons, teaching responsibility, and helping students develop positive study habits.

Homework will be assigned Monday through Thursday nights. I expect students to do their best on their homework.

Student Homework Responsibilities:

I expect homework to be neat. I also expect homework to be turned in on time each day and the agenda to be initialed by a parent or guardian.

Parent Homework Responsibilities:

Parents are the key to making homework a positive experience for their children. Therefore, I ask that parents make homework a top priority, provide necessary supplies and a quiet environment, set a daily homework time, provide praise and support, not let children avoid doing homework, sign the agenda after checking for completion, and contact me if they notice a problem.

I have read this homework and discipline policy and discussed it with my child.
