What Makes Our School Unique?

Hamilton has strong parent engagement. Parents are welcome on campus and often times can be seen teaching our students alongside our teachers. Our full time Computer/Technology Teacher instructs all our students in our up to date computer lab and on our Chromebooks, and our librarian inspires our students to dream in our fully stocked library of rich literature and expository text. We have a variety of school events including a cultural fair, carnival, jog-a-thon, family dance, SMART Night, Science, Engineering and Innovation Fair and family dine-out nights.

What Does Our School Offer?

Hamilton is a Math, Science and Technology Academy with a focus on building leadership skills through the use of Stephen Covey's "Seven Habits of Happy Kids". Our children receive a quality education by teachers who care about their students. In addition to the rigorous Common Core instruction our students receive, we offer a wide variety of activities such as: Math and Science labs, GATE Club, Innovation Club, Band and Violin classes. After School Enrichment Courses including Chess, Lego Engineering, Art, Mad Science and Cooking. Students in 4th and 5th grade participate in electives of their choice including yoga, dance, photography, basketball, book making, robotics, hands-on science and art.

Community and Business Partners

Armory Center for the Arts, Cal Tech, City of Pasadena, Glenair Inc., Huntington Library, Partnership for Success, Rose Bowl Aquatic Center, Rose City Church, and Screen Actors Guild of Los Angeles.

Attendance Area and Open Enrollment

Hamilton Elementary School is a school of residence with an attendance area of families who have the privilege of enrolling based on their home address. Visit www.pusd.us to see if your family resides in the attendance area. Families not residing in the school's area may apply through the District's annual Open Enrollment process. Please check openenrollment.info for more information, including how to apply online.
