## **Welcome to PHS Athletics! Athletic Clearance**

### **Athletic Clearance for all Sports 2021-2022**

**Our Pasadena High School Athletic Clearance online process has been activated for the 2021-2022 school year. Every student-athlete, cheer, and band/color-guard participant will need to complete an athletic clearance as soon as possible.**

All student-athletes (including Cheer and Marching Band/Color Guard participants) and parents/guardians need to create an account or log into your account at [Athleticclearance.com](https://Athleticclearance.com) to input their student and parent information, completing/uploading the necessary information; physical forms, copy of proof of medical/health insurance, entering the student and parent signatures, and Home Campus confirmation message. Please see FAQs and “NeedHelp” for the video to assist with the registration process. For more information regarding athletic clearance, eligibility, obtaining a physical or health insurance, or if you need any further assistance please email [jacobsenhuse.jennie@pusd.us](mailto:jacobsenhuse.jennie@pusd.us) or call 626-396-5880 ext 84032

#### **Tips to Get Started:**

**Start clearance** (start another clearance if you are an existing student from 2020-2021, select a student already in the system to update for the new school year). If you start the process and then come back to enter additional information, do not start a new clearance, just go to each step necessary to complete.

**Select year** 2021-2022

**Select School** Pasadena

**Select Sport** Select only one sport per season for participation in Fall, Winter, Spring (please do not select all sport) See next page for list of PHS sports offered in 2021-2022

It will be necessary to download and print the completed and signed physical form; then upload to the account. See Step #1 to “Download Your School’s Physical Form Here”. Upload a photo proof of their medical/health insurance card. The final step is to download, print, sign, and upload the Home Campus confirmation message.
