

DANIEL WEBSTER SCHOOL
LIBRARY PERMISSION SLIP

2019-2020

Dear Parents,

I am looking forward to a wonderful new school year. Reading is immensely important for students and a way for them to explore and to learn more. I would like to inform you that 1st through 5th grade students may check out books from our school library. Kindergarten students may come in with their class for story time and to read books in the library. The following procedures will be used:

1. Students in grades 1-3 may check out 1 book.
Students in grades 4 - 5 may check out 2 books.
Your student's teacher will be able to determine if the class can check out more.
2. Checkout period is 2 weeks. There will be no overdue fines for late books.
3. Books that are lost or damaged must be paid or replaced with a new copy. Please speak to me personally regarding any concerns with lost or damaged books.
4. Students are not allowed to check out books with lost or damaged items still on their account.
5. The permission slip below must be signed and returned by August 26, 2019 in order for students to check out books from the library.

Thank you all for your help and cooperation. I look forward to your student using the Daniel Webster School Library as well as meeting everyone from the Webster community.

Sincerely,

Salbi Karamyan

Webster Library Coordinator
