

TIPS FOR ONLINE LEARNING

DURING COVID-19

Ensure your child is taking breaks throughout the day. Safely enjoy a walk or eat a snack together.

BREAK TIME

MAKE SPACE FOR LEARNING

Children tend to be more productive in a comfortable area devoted to learning. Ideally, this setup should be clear from distractions, like video games or television.

Monitor Your child's computer screen to ensure they remain on task. Observe them, ask questions regarding their daily lessons, or encourage note-taking.

DON'T FORGET TO HAVE FUN

Create spaces for family fun:
Plan off-screen activities that allow an opportunity for family bonding.
Organize a tournament, play a card game, or host a round of charades.
