

Back to School Night Agenda

Thursday, September 17th at 5:30pm

- This will be a LiveStream event, meaning it will only be informational. If you have specific questions about your student, please schedule a time to speak with the teachers.
- Students/Parents **must be logged into a PUSD device** to access Livestream Links. This is a safeguard our ITS department has put into place to avoid outside users from accessing our virtual classrooms.

Elementary Schedule:

Elementary teachers will do the same presentation twice. This will allow parents with multiple siblings to view more than one classroom at BTSN.
