If you click this box your employer will not send you a 1095-C statement in the mail.

Per your election, your employer is providing you with an electronic copy of your U.S. 1095-C statement which may be required as proof by certain agencies. If you do not consent to receive your 1095-C statement electronically, you will receive a paper 1095-C statement. Consent applies to all 1095-C statements (original and corrections if necessary) after consent is given and will remain until consent is withdrawn by changing your election. To obtain a paper copy you may change your election at any time; however changes will not take effect for statements already issued. If you request to receive a paper copy, your address on file with the employer will be used. Contact your employer if you need to change your mailing address. You can withdraw consent to online delivery at any time by changing the selection on this page. Your 1095-C statements will remain available electronically for the duration of your employment. If you are unable to access this page at a future time due to system issues or termination of employment, you may contact your employer to receive a copy of your statement.
