**PREQUALIFICATION FOR GENERAL CONTRACTORS
MEASURE TT AND/OR STATE BOND MAJOR PROJECTS
PASADENA UNIFIED SCHOOL DISTRICT**

I. BACKGROUND AND OVERVIEW

The Pasadena Unified School District (“District”) is prequalifying General Contractors (“Contractors”) to bid on projects funded by the District’s Measure TT Bonds and/or State Bond funds for the 2019 calendar year. The construction projects are anticipated to include modernizations and reconstruction projects, new construction, demolition of older existing schools, and other site work at various site locations throughout the District. These projects will be valued at \$10,000,000 or more (“Major Projects”). If two or more business entities submit a bid on a project as a joint venture, or expect to submit a bid as part of a joint venture, each entity within the joint venture must be separately qualified to bid.

As a condition of bidding to perform any of the Major Projects funded by Measure TT and/or State Bond Funds, and in accordance with California Public Contract Code(s) 20111.5(e) and 20111.6, the Pasadena Unified School District requires Contractors to fully complete a prequalification questionnaire and a financial statement.

Once a Contractor’s prequalification statement is submitted, the District will notify the Contractor if the Contractor meets the prequalification requirements. The Contractor will be eligible to bid on any Measure TT and/or State Bond construction projects within the Contractor’s bonding and financial capacity for the 2019 calendar year.

The District reserves the right to request that Contractor(s) update prequalification forms on a quarterly basis. The District also reserves the right to revoke, suspend or rescind the prequalification status of a Contractor due to changes in Contractor’s status or the failure of a Contractor to update its status or information.

All Contractors, whether previously prequalified or not, will be certified in accordance with the District’s uniform system of rating bidders.

Bids for construction projects will not be accepted unless a Contractor is certified as prequalified by the District and the bid is for a contract of a size which Contractor has been deemed qualified to bid.

The District reserves the right to use some or all of the information provided in this form for evaluation purposes.

PASADENA UNIFIED SCHOOL DISTRICT FACILITIES

While it is the intent of the prequalification questionnaire and documents required therewith to assist the District in determining bidder responsibility prior to the submission of bids and to aid the District in selecting the lowest responsible bidder, neither the fact of prequalification, nor any prequalification rating, will preclude the District from a post-bid consideration and determination on a specific project of whether a bidder has the quality, fitness, capacity, and experience to satisfactorily perform the proposed work, and has demonstrated the requisite trustworthiness.

For information regarding the prequalification process and to secure the District's Prequalification documents, please contact Jessica Frazier, Construction Specialist via e-mail at frazier.jessica@pusd.us or by phone at (626)396-5850 X89184.

II. PROJECT DESCRIPTIONS

As noted, the construction projects may include reconstruction projects, new construction, demolition of older existing schools, and other site work at various site locations throughout the District estimated at **\$10,000,000 or more** per facility using Measure TT and/or State Bond funds.

III. PREQUALIFICATION PROCESS

The following process will govern the conduct of Contractor Prequalification for the District projects. A Contractor who submits prequalification responses thereby consents to and will comply with the procedures outlined below and as set forth in greater detail in this document.

- A. Submittal: Project Specific Prequalification information for specific or individual projects must be submitted at least ten (10) business days prior to the bid due date for a specific project.
- B. Submittal: Yearly Round Prequalification information for this yearly round of prequalification should be received by the District by 3:00 PM (PT) Thursday, December 21, 2018. All prospective licensed Contractors who wish to qualify for work on Measure TT projects and/or State Bond projects valued at \$10,000,000 or more shall submit a fully complete Contractor Prequalification Questionnaire and Certification ("Questionnaire") in a sealed envelope to:

**Pasadena Unified School District
Jessica Frazier, Facilities Department
740 W. Woodbury Road
Altadena, CA 91001**

Prequalification materials will only be accepted in accordance with the requirements of the law. The District reserves the right to request, receive, and evaluate supplemental information after the above time and date at its sole discretion.

- C. Form Contractor shall successfully complete the prequalification process and timely submit all documents as indicated in the Questionnaire. No other prequalification documents previously completed by Contractor will meet these requirements. All information requested in the Questionnaire must be provided in order to be considered “responsive” to the requirements of prequalification. The Questionnaire shall be submitted as one package – it shall not be submitted “piecemeal.” Contractors shall submit one (1) completed Questionnaire with required attachments in “hard copy” format (i.e., 8-1/2” x 11” paper) in a sealed envelope. Any questions regarding this package should be directed to Jessica Frazier, Construction Specialist at (626) 396-5850 X89184 or via e-mail frazier.jessica@pusd.us. Submission of an incomplete and/or unclear Questionnaire may result in a determination that the Contractor is non-responsive and/or not qualified.
- D. District’s Review Information submitted in the Questionnaire shall not be public information and shall not be open to public inspection, to the extent allowed by law. Contractors that have submitted a Questionnaire shall receive written notification of their prequalification status. All information provided will be kept confidential to the extent permitted by law, although the contents may be disclosed to third parties for the purpose of verification, investigation of substantial allegations, and in the process of an appeal hearing. State law requires that the names of contractors applying for prequalification status shall be public records subject to disclosure. The District reserves the right to reject all Questionnaires or to waive irregularities in any Questionnaire received, to make all final determinations, and to determine at any time that the prequalification procedures will not be applied to a future public works project.
- E. Addenda Any addenda issued will be faxed, mailed, or sent by messenger service to all Contractors known to the District to have received a Questionnaire and who have provided a complete and legible physical address, telephone number, and fax number for receipt of addenda. The receipt of all addenda must be acknowledged on the Contractor’s Questionnaire.
- F. Nonresponsiveness A Contractor’s Questionnaire may be deemed nonresponsive if:
1. The Questionnaire is not returned on time.
 2. Contractor does not provide all requested information.
 3. The Questionnaire is not signed under penalty of perjury by individuals who have the authority to bind the Contractor on whose behalf they are signing.

4. Information contained in the Questionnaire is not updated under penalty of perjury when it is no longer accurate.
5. Any information provided by the Contractor is misleading or inaccurate in any material manner (e.g., financial resources are overstated; previous violations of law are not accurately reported). Even after a Contractor has been determined to be qualified, the District reserves the right to revoke that determination at any subsequent time, to terminate any Contract awarded, and to cease making payments if it determines that any information provided by the Contractor was incomplete, misleading, inaccurate or false in any material manner.

IV. QUALIFICATION CRITERIA

A. Essential Criteria As detailed herein, each potential Contractor must provide specific information that will be reviewed and scaled by the District. Certain qualifications are essential. Any potential Contractor who cannot satisfy all of the following requirements (“Essential Criteria”), regardless of the ranking or ability to meet other criteria, will not be prequalified:

The Questionnaire contains questions for which a numerical score will be given for specific answer(s). A Contractor must receive a minimum number of points, regardless of its ability to meet other criteria, or the Contractor will not prequalify for District work. Even if a Contractor meets the Essential Criteria and receives at least the minimum number of points, the District reserves the right to disqualify it from bidding on other grounds.

8. Financial Strength The Contractor shall demonstrate its financial ability to undertake and complete this project.
9. References The Contractor shall provide references verifying past performance and data.

V. APPEALS PROCESS

Unless a Contractor files a timely appeal, the Contractor waives any and all rights to challenge the qualification decision of the District, whether by administrative process, judicial process or any other legal process or proceeding. There is no appeal from a finding that a Contractor is not prequalified because of a failure to submit required information. The date for submission and opening of bids for a specific project will not be delayed or postponed to allow for completion of an appeal process.

Should a prospective bidder not agree with the decision of the review committee, that prospective bidder may appeal the decision to the Superintendent, or his designee. The appeal must consist of a written request to the Chief of Facilities, 740 W. Woodbury Ave, Altadena, CA 91001, setting forth the specific reasons for the appeal and must be received by the District, by certified mail, within seven (7) calendar days of the receipt of pre-qualification rating, by certified mail. The Superintendent, or his designee, shall consider the appeal within three (3) business days of the filing of the notice of appeal and allow the prospective bidder an opportunity to be heard on the rating. The appellant and the District may present evidence, testimony and information relevant to the rating. The Superintendent, or his designee, shall issue a written decision after the conclusion of the hearing and mail or cause to be delivered said decision to the appellant within three (3) business days.

Should the prospective bidder be dissatisfied with the Superintendent's, or his designee's, written decision, the aggrieved bidder may appeal the same to the Board of Trustees. This is to be done by filing a written notice of appeal to the Chief of Facilities at the address noted above, setting forth the specific reasons, within five (5) calendar days of receipt of the decision of the Superintendent, or his designee. The Board of Trustees shall hold a hearing on the pre-qualification rating within three (3) weeks, or as soon thereafter as possible, of receipt of the notice of appeal. Pending the hearing before the Board of Trustees, the decision of the

Superintendent, or his designee, shall remain in full force and effect. Should the decision of the Superintendent, or his designee, be reversed or revised by the Board of Trustees, the decision shall take effect as of the date of the Board of Trustees decision and shall not be retroactive. The decision of the Board of Trustees shall be final. Said decision shall be mailed or delivered to all parties.

It is the intention of the District that the date for the submission and opening of bids will not be delayed or postponed to allow for completion of an appeal process.

The District reserves the right to waive non-material irregularities and omissions in the information contained in the pre-qualification application submitted, to make all final determinations, and to determine at any time that the pre-qualification procedures will not be applied to a specific future public works project. The District also reserves the right to require, at its sole discretion, additional/supplemental materials for prequalification for specific projects based on factors, including but not limited to, the size or cost of the project or the specialized nature of the proposed facilities,

To the extent allowed by law, the information submitted by prospective bidders shall remain confidential except on appeals to the Board of Trustees where information used to decide the appeal will become public.
