

Your child is having a birthday and the Jackson library has a fantastic gift idea!

The Birthday Book Club brings reading enjoyment to your child **and** the satisfaction of contributing to our school community.

How it works:

During the week of your child's birthday, he/she will visit the library to purchase a new book from the Birthday Book Club's selection of diverse and high quality options. Your child will take the book home to enjoy, and when he/she is done, the book will be returned to the library where it will become a part of the school's collection. A beautifully illustrated bookplate label will be adhered to the inside cover acknowledging your child's donation. As a Birthday Book Club member, your child will be presented with an official club pin and thanked for their contribution when their class visits the library.

If you would like to participate, please return the enclosed form along with a donation of \$10, \$15, or \$20 to the library or office. Your child will be invited to come to the library to select a birthday book(s) in their price range.

Thanks for your support!
