

Wilson Middle School Advanced Studies Program Mission Statement

Advanced Studies Program strives to provide a challenging, rigorous middle school curriculum. The students should complete 8th grade prepared for advanced and honors classes in high school. Administration, teachers, parents and students all commit to a culture of excellence.

School Administration

- Provide positive feed back and effective discipline
- Maintain high standards for students in ASP classes
- Maintain high standards for instructors in ASP classes
- Keep all technology in good working order
- Engage with parents and teachers to support & enhance the program
- Promote Advanced Studies Program within PUSD

Teachers

- Educate and challenge students at a deeper level
- Math: teach at or close to the next grade level
- Language arts: emphasize writing and analysis
- Science: engage and excite while educating
- History/social studies: understanding history and reflection on the present
- Help maintain all technology in good working order
- Engage with administrators and parents to support & enhance the program

Parents

- Support Wilson Annual Fund which helps provide opportunities for ASP as well as other programs at Wilson
- Participate in meetings
- Volunteer time and materials when possible (grade level room parents, field trips, etc)
- Engage with administrators and teachers to support & enhance the program

Students

- Come to school each day with a positive attitude
- Come to school each day ready to learn
- Commit to a more a rigorous and challenging curriculum
- Maintain good grades
- Maintain good citizenship
- Achieve beyond your own expectations
