GLENDALE UNIFIED SCHOOL DISTRICT
"Preparing out students for their future"

March 12, 2020

Dear Pacific League Athletic Community:

In the best interest of student health and safety, and in light of recent directives from state and local health authorities to practice social distancing, we have made the decision to suspend all Pacific League CIF athletic practices and competitions from March 13 through April 13. This decision has been made in collaboration with our fellow CIF Pacific League superintendents. We will reassess the situation in early April and determine the plan for practice and competition beyond April 13, 2020.

Sincerely,

Matt Hill, Ed.D.
Superintendent, Burbank USD

Vivian K. Ekchian, Ed.D.
Superintendent, Glendale USD
