

PASADENA UNIFIED SCHOOL DISTRICT
FOOD SERVICES DEPARTMENT

August 13, 2020

The Pasadena Unified School District (PUSD) Food & Nutrition Services program will provide an opportunity for families to drive through and pick up meals for the children in the family, at all of the PUSD school sites.

Starting Monday, August 17, 2020 the following schools will provide a breakfast and lunch for the day. Meals will be served between 9 am – 12 noon, Monday – Friday, in the parking lot or bus lane at each school site. Please stay in your car and meals will be passed to you.

Schools Offering Meals:

Altadena Elementary	Blair High & Middle School
Don Benito Elementary	Eliot Middle School
Field Elementary	Focus Point/OakKnoll
Hamilton Elementary	Jackson Elementary
Longfellow Elementary	Madison Elementary
Marshall	McKinley & Rose City
Muir High School	Norma Coombs Elementary
Pasadena High School	San Rafael Elementary
Sierra Madre Elementary	Sierra Madre Middle School
WALC & Washington Middle	Webster Elementary
Wilson Middle for Willard Elementary	

This program will be solely for the pick-up of meals and meals will not be consumed on site. This year all the PUSD schools qualify for the **Community Eligibility Program (CEP)** which means **all students eat at “No Charge” for their meals!** Our Food & Nutrition Services has gone paperless, so all the menus can be found on the Website or on the menu boards at each curbside pick-up.

Families can now pick-up all the meals they need at any school site. Meaning if a family has multiple children at multiple school sites, they only need to stop at 1 school curbside of their choice and pick up all the meals they need. It is the goal of the Food and Nutrition Department to make meals as accessible as possible for families. During this time, food is the last thing our families need to worry about.

Starting August 31st through September 7th the Food Service Department will be releasing a parent survey asking if the meal times and locations are working for families. It is extremely important to get everyone’s feedback to be able to continue to provide all families with the best service possible.

Thank you for all your support!
