

PASADENA HIGH SCHOOL FOOTBALL PROGRAM

APPLICATION FOR FOOTBALL MANAGEMENT

Pasadena High School Football Program is a program that consists of Junior Varsity and Varsity Football players, coaches, trainers, staff, and football management. Each group of people listed is a part of the team, and the football family. Football management is an extracurricular activity designed for committed, dedicated, and encouraging individuals who can work and support the team as a whole. Hours you put in count as community service. As a member of football management, you are *required* to **attend practices to be on the sidelines at games, remain professional on the field, participate in fundraisers, sell concessions at home games, and fulfill any requests the staff or coaches have.** The football program is very understanding when it comes to grades, family, religion, other commitments, and your personal life. If you are unable to make any games or practices, please let the head coach Dejuan Shamburger or supervisor Mel know. Any additional questions or concerns, please contact those listed or phsfootballmanagement@gmail.com.

3. Are you able to work under pressure when a job is asked for you to do? Are you able to remain professional in any situation on the sidelines?

4. In the event of a far away game, the management team will need to leave early from school, and return late. Will this be an issue in your school life or life at home?

FOOTBALL MANAGEMENT POSITIONS

Varsity Football Manager(s) holds the responsibility of managing the football management team and taking care of any tasks that the head coach, supervisor, or staff ask for. You must work professional on and off the sidelines with the Varsity football team, management team, and sports medicine. Also, duties include creating fundraisers, updating social media, filling in for absent team members, and handling any issues.

Soph/Frosh Manager(s) has the same duties as Varsity Football manager, except it is for the Soph/Frosh players. At games and practices, players must have water refilled and available when necessary. You work alongside the Soph/Frosh Coach and Coach Jacobsen.

Offensive/Defensive Statistician is responsible for logging stats effectively and accurately. You must be able to know basic math to calculate yardage, know the downs and how many yards in each of them, and pay attention to the result of the play. After games, you must finish the stats and have them uploaded to MaxPreps by the next school day. Must keep all stats in the football room.

Offensive/Defensive Plays logs every play that the offensive/defensive coach calls. For this position, you must follow the offensive/defensive coach and listen to every play they call. Each play is to be charted whether the team plays it or not. Must keep all stats in the football room.

Technical Support holds the duty of doing water when sports medicine is unavailable, selling concessions, handling equipment, and tutoring the boys. Technical support must have water filled and on deck no matter what and have the first aid kit, headset case, and wraps every game. This job requires patience with the boys as well as the coaches.
