## What Makes Our School Unique?

This is an exciting time for Sierra Madre Middle School, as the construction of our new campus is now complete. Our new facilities include twenty classrooms, two visual arts labs, three science labs, a media room, CTE lab, library, multipurpose room and gymnasium. We are excited about this opportunity to expand our comprehensive middle school experience for our students.

In addition, we are continuing the expansion of our Mandarin Dual Language Immersion program to include instruction in Mandarin Language Arts & Chinese Art & Culture. Through this unique program, students receive core instruction in Mandarin, strengthening their cognitive skills and promoting their intellectual growth. Our program emphasizes the development of academic language proficiency, encompassing listening, speaking, reading, and writing. Students develop the skills to be bilingual, biliterate, and bicultural.

## What Does Our School Offer?

## Attendance Area and Open Enrollment

Sierra Madre Middle School is a school of residence with an attendance area of families who have the privilege of enrolling based on their home address. Visit [www.pusd.us](http://www.pusd.us) to see if your family resides in the attendance area. In addition, students transitioning from Field Elementary School's Dual Language Immersion Program are automatically eligible to enroll as well. Families not residing in the school's area may apply through the District's annual Open Enrollment process. Please check [openenrollment.info](http://openenrollment.info) for more information, including how to apply online.
