

ABSENCES AND EXCUSES

The Governing Board believes that regular attendance plays an important role in student achievement. The Board shall work with parents/guardians and students to ensure their compliance with all state attendance laws and may use appropriate legal means to correct problems of chronic absence or truancy.

(cf. 5112.1 - Exemptions from Attendance)

(cf. 5112.2 - Exclusions from Attendance)

(cf. 5113.1 - Chronic Absence and Truancy)

(cf. 5121 - Grades/Evaluation of Student Achievement)

(cf. 6154 - Homework/Makeup Work)

Absence from school shall be excused only for health reasons, family emergencies, and justifiable personal reasons, as permitted by law, Board policy, and administrative regulation. (Education Code 48205)

Student absence for religious instruction or participation in religious exercises away from school property may be considered excused subject to law and administrative regulation. (Education Code 46014)

Inasmuch as school attendance and class participation are integral to students' learning experiences, parents/guardians and students shall be encouraged to schedule medical and other appointments during non-school hours.

Students shall not be absent from school without their parents/guardians' knowledge or consent, except in cases of medical emergency or, as authorized pursuant to Education Code 46010.1, for a confidential medical appointment.

The Board shall, by resolution entered into its minutes, approve reasonable methods that may be used to verify student absences due to illness or quarantine. (5 CCR 421)
