### **DRESS AND GROOMING**

**AR 5132**

#### **PUSD SPECIFIC (Entire Regulation)**

The Governing Board values student individuality; however, it also believes that in order to ensure a successful school and learning atmosphere, guidelines for dress and grooming must be in place. In cooperation with teachers, students and parents/guardians, the principal or designee has the right to determine if attire or appearance is appropriate and shall establish school rules governing student dress and grooming which are consistent with law, Governing Board policy and administrative regulations. These school dress codes shall be regularly reviewed.

In addition, the following guidelines shall apply to all regular school activities:

1. Shoes must be worn at all times. Sandals must have heel straps. Backless shoes or sandals are not acceptable.
2. Clothing, jewelry and personal items (backpacks, fanny packs, gym bags, water bottles etc.) shall be free of writing, pictures or any other insignia which are crude, vulgar, profane or sexually suggestive, which bear drug, alcohol or tobacco company advertising, promotions and likenesses, or which advocate racial, ethnic or religious prejudice or other illegal activity.
3. No unnecessary head wear or items allowed. (ie. Hats, hair picks, stocking caps, hair curlers, and hoods may not be worn in schools). Head wear for religious reasons excluded. Each school shall allow students to wear sun-protective clothing, including but not limited to hats, for outdoor use during the school day. (Education Code 35183.5)
4. Clothes shall be sufficient to conceal undergarments at all times. No skin should be visible between shirts and pants while sitting or extending hands overhead. See-through fabrics, halter tops, off-the-shoulder or low-cut tops, bare midriffs, open backs, tube tops, tank tops, or sleeveless shirts are prohibited.
5. Gym shorts may not be worn in classes other than physical education. Shorts and skirts cannot be shorter than the length of a student's arm when held by the side of the body. Leotards, spandex, Lycra, and form-fitting clothes alone are not suitable; however, they

are allowable if worn in conjunction with other garments that adequately cover the shoulders, chest and backside. Shorts, pants, and skirts are to be hemmed or stitched; cut-offs are not allowed. Ripped or torn clothing is not allowed.

6. Hair shall be clean and groomed. Hair may not be sprayed by any coloring that would drip when wet.
7. Pants, shorts or skirts must be worn appropriately and fit at the waist. Sagging pants or shorts are not allowed. Belts, buttons, and fasteners must be fastened at all times. Belts are required for pants and shorts with belt loops if the clothing is too large for the student's size.

The dress code shall be modified as appropriate to accommodate a student's religious or cultural observance, health condition, or other circumstances deemed necessary by the principal or designee. In addition, the principal or designee may impose dress requirements to accommodate the needs of special school activities, physical education classes, athletic activities, and other extracurricular and cocurricular activities.

*(cf. 3260 - Fees and Charges)*

No grade of a student participating in a physical education class shall be adversely affected if the student does not wear standardized physical education apparel because of circumstances beyond the student's control. (Education Code 49066)

*(cf. 5121 - Grades/Evaluation of Student Achievement)*

*(cf. 3260 - Fees and Charges)*

*(cf. 6142.7 - Physical Education and Activity)*

*(cf. 6145 - Extracurricular and Cocurricular Activities)*

*(cf. 6145.2 - Athletic Competition)*

The principal, staff, students and parents/guardians at each school may establish reasonable dress and grooming regulations for times when students are engaged in extracurricular or other special school activities.

#### **Gang-Related Apparel**

At individual schools that have a dress code prohibiting gang-related apparel at school or school activities, the principal, staff, and parents/guardians participating in the development of the school safety plan should define “gang-related apparel” and shall limit this definition to apparel that reasonably could be determined to threaten the health and safety of the school environment if it were worn or displayed on a school campus. (Education Code 32282)

Because gang-related symbols are constantly changing, definitions of gang-related apparel shall be reviewed at least once each semester and updated whenever related information is received. As necessary, the school shall collaborate with law enforcement agencies to update definitions of gang-related apparel.

#### **Uniforms**

The Board may approve a school-initiated dress code requiring students at the school to wear a school uniform whenever the Board determines that such a dress code will promote student achievement, a positive school climate, and/or student safety.

The Superintendent or designee shall establish procedures whereby parents/guardians may choose to have their children exempted from the school uniform policy. Students shall not be penalized academically, otherwise discriminated against, or denied attendance to school if their parents/guardians so decide. (Education Code 35183)

The Superintendent or designee shall ensure that resources are identified to assist economically disadvantaged students in obtaining uniforms. (Education Code 35183)

In schools where a schoolwide uniform is required, the principal, staff and parents/guardians of the individual school shall jointly select the specific uniform to be worn. (Education Code 35183)

At least six months before a school uniform policy is implemented, the principal or designee shall notify parents/guardians of this policy. (Education Code 35183)

Parents/guardians shall also be informed of their right to have their child exempted.

The principal or designee shall also repeat this notification at the end of the school year so that parents/guardians are reminded before school clothes are likely to be purchased.

The Superintendent or designee shall establish criteria for determining student eligibility for financial assistance when purchasing uniforms.

The Superintendent or designee shall establish a method for recycling or exchanging uniforms as students grow out of them.

Students who participate in a nationally recognized youth organization shall be allowed to wear organization uniforms on days when the organization has a scheduled meeting. (Education Code 35183)

### **Disciplinary Measures**

When a student is attired in a manner likely to cause disruption or interference with the operation of the classroom, the principal may administer appropriate consequences which may include calling parents to bring appropriate clothing, detention, time-out, in-school suspensions, and/or other disciplinary action as deemed appropriate. Students sent home to change will be counted as an unexcused absence. Administrators have the right to determine if attire or appearance is inappropriate for school.
