SELECTION AND EVALUATION OF INSTRUCTIONAL MATERIALS

E 6161.1

RESOLUTION ON SUFFICIENCY OF INSTRUCTIONAL MATERIALS

Whereas, the Governing Board of the (name of school district), in order to comply with the requirements of Education Code 60119, held a public hearing on (date), at (time) o'clock, which is on or before the eighth week of school (between the first day that students attend school and the end of the eighth week from that day) and which did not take place during or immediately following school hours, and;

Whereas, the Board provided at least 10 days' notice of the public hearing by posting it in at least three public places within the district stating the time, place, and purpose of the hearing, and;

Whereas, the Board encouraged participation by parents/guardians, teachers, members of the community, and bargaining unit leaders in the public hearing, and;

Whereas, information provided at the public hearing detailed the extent to which sufficient textbooks or other instructional materials were provided to all students, including English learners, in the (name of school district), and;

Whereas, the definition of "sufficient textbooks or instructional materials" means that each student, including each English learner, has a standards-aligned textbook or instructional materials to use in class and to take home, which may include materials in a digital format but shall not include photocopied sheets from only a portion of a textbook or instructional materials copied to address a shortage, and;

Whereas, textbooks or instructional materials in core curriculum subjects should be aligned with state academic content standards and/or the Common Core State Standards adopted by the State Board of Education;

Finding of Sufficient Textbooks or Instructional Materials

Whereas, sufficient standards-aligned textbooks or other instructional materials that are consistent with the cycles and content of the curriculum frameworks were provided to each student, including each English learner, in the following subjects:

PUSD Curriculum was adopted in 2012.

Whereas, laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive;

WHEREAS, during distance learning PUSD will provide to all pupils access to devices to participate in the educational program, whether digitally or with hard copies of materials and/or assignments to remain compliant;

Therefore, it is resolved that for the (year) school year, the (name of school district) has provided each student with sufficient standards-aligned textbooks or other instructional materials that are consistent with the cycles and content of the curriculum frameworks.

Finding of Insufficient Textbooks or Instructional Materials

Whereas, information provided at the public hearing and to the Board at the public meeting detailed that insufficient standards-aligned textbooks or other instructional materials were provided to students in the following subjects and grade levels at district schools: (For each school, list the percentage of students who lack sufficient standards-aligned textbooks or instructional materials in mathematics, science, history-social science, English language arts, world language, and health.)

Whereas, sufficient textbooks or other instructional materials were not provided at each school listed above due to the following reasons: (For each school at which there is an insufficiency, list the reasons that each student does not have sufficient instructional materials in each subject and grade level listed above.)

Therefore, it is resolved, that for the (year) school year, the (name of school district) has not provided each student with sufficient textbooks or other instructional materials that are consistent with the cycles and content of the curriculum framework, and;
