VISION

Educating today's children to create tomorrow's world, empowering them to shape, build and achieve their dreams.

MISSION

The PUSD's mission is to provide rigorous education in an environment that engages and empowers all children to become lifelong learners; our students will be thinking, literate, productive, responsible and ethical, able to compete in and contribute to a diverse, democratic society.
This handbook shall cover all non-bargaining unit members who are listed on the management and confidential salary schedules.

A management employee is any employee in a position having significant responsibilities for formulating district policies programs or administering district programs.

A supervisory employee is any employee who, regardless of job description, has the authority in the interest of the District to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward, or discipline other employees, or the responsibility to assign work to and direct them, or to adjust their grievances, or effectively recommend that action, if, in connection with the foregoing functions, the exercise of that authority is not of a merely routine or clerical nature, but requires the use of independent judgment.

A confidential employee is any employee who is required to develop or present management positions with respect to employer-employee relations or whose duties normally require access to confidential information contributing significantly to the development of management positions.
PREFACE

As educators and managers, we believe that a well-managed public school system represents the community's best hopes and best opportunity to meet the needs of its children and their parents, of its voters, and taxpayers. We believe we can educate children – effectively and efficiently – to meet their needs as individuals and the needs of the broader society in which we participate.

As managers – in partnership with the Board of Education – we believe that the Pasadena Unified School District can meet the challenges of today and tomorrow in responsibly allocating those resources which are made available and in directing the educational programs of this District. We believe it is the responsibility of each manager to carry out Board of Education policies uniformly across the District and to support the unique needs of each school site and program within the District. We believe managers must work supportively with the Board of Education in recommending, interpreting, and implementing Board policies and in communicating these policies to the staff and the community.

We believe that all managerial conduct must reflect respect for the dignity and worth of the people and staff of this District whose needs and talents represent both the diversity and strength of the community and of the school district. We believe that it is the responsibility of managers to create an environment which encourages communication among the administration, the staff, the students, and members of the community and, therefore, also serves to foster participation in the District's programs and processes.
INTRODUCTION

I. In partnership with the Board of Education and under the direction of the Superintendent, management employees of the Pasadena Unified School District are responsible for directing the implementation of the District's mission and goals and for carrying out its business and public responsibilities.

II. The procedures, rights and responsibilities in this handbook apply to all management employees listed by position on the Management Salary Schedule (See Appendix A) i.e. all non-bargaining unit, non-contractual management employees. Procedures, rights and responsibilities for classified management positions are described in the rules of the Personnel Commission; without relinquishing the District's right to challenge the inclusion of its management personnel under these rules, the District shall follow the procedures of the Personnel Commission.

III. The policies in this handbook are inclusive of procedures, rights and responsibilities of management employees, and upon approval, shall supersede all current Board policies and practices with respect to management employees; however periodic changes in Board policies may necessitate changes to the policies set forth in this handbook.

In cooperation with the representatives of management personnel and in recognition of their rights under Government Code section 3543.4 to be represented for the purpose of consulting and conferring, these policies may be reviewed and updated at any time upon the recommendation of the Superintendent and at the discretion of the Board of Education.

I. MANAGEMENT SELECTION PROCESS

1. CERTIFICATED MANAGEMENT SELECTION PROCESS

A. Recruitment and Screening:
When a management position vacancy is known or anticipated, the Superintendent or designee shall determine the need and qualifications for the position. As soon as possible, notice of the vacancy shall be published within the district and may be published through other recruitment sources. In selecting candidates for formal interview, the Superintendent or designee shall:

A. Review valid transfer requests.
B. Review the current applicant file.
C. Establish an interview committee.
D. Arrange interviews for the best qualified applicants.
E. Provide the interview committee with each candidate's complete personnel folder, a set of questions to be asked, rating sheets, and related instructions.

The interview committee shall rank candidates in order of priority. When all interviews have been completed, committee members may discuss candidates before recommending finalists. All discussions and recommendations shall be confidential.

B. Selection:
When finalists have been identified, the Superintendent or designee shall interview in person or by telephone those individuals given as references who have had the greatest opportunity to observe the finalists' professional activities.

The Superintendent or designee shall interview the finalists and submit a recommendation to the Governing Board. No management position shall be filled without concurrence of both the Superintendent and the Board. If the Superintendent or designee cannot make a recommendation in full confidence, he/she shall be directed to declare the position open and undertake a new search.
When a final recommendation is approved, the Superintendent or designee shall contact the finalist to obtain acceptance of an offer of employment. The salary and placement of newly elected staff shall be determined by the Board. Employment shall be subject to the possession of valid, appropriate credentials.

As soon as the position is filled, the Superintendent or designee shall notify all candidates who were not selected.

2. CLASSIFIED MANAGEMENT SELECTION PROCESS

The Personnel Commission shall be responsible for the implementation of the selection process for all classified management positions and shall submit an eligibility list to the Director of Personnel Services to certify the top three ranks to the Superintendent of Schools for selection.

The recruitment, selection, and certification processes for classified management positions are detailed in the Rules of the Personnel Commission (Rules 4000-7000).

The Personnel Commission shall adhere to California Education Code Section 45256.5 in regards to those classified management positions that have been designated by the Board of Education as "senior management."

A. Recruitment

When a classified position is vacated or a new position is created, and an Eligibility List for the classification does not already exist, Personnel Services shall notify the Personnel Commission with a Request to Recruit. The Personnel Commission shall review the existing class specification with the head of the department or division concerned.

A job bulletin shall be prepared by the Personnel Commission to be released to the public. The bulletin shall include:

A. Class title
B. Competitive basis for the examination.
C. Salary information for the class
D. Descriptive statement of the duties, nature and responsibility assigned to positions in the class including any unusual working conditions or hours.
E. Normal assignment expressed in hours worked per day and months per year.
F. Entrance qualifications stated in terms of the necessary education, training, experience, and length of service, skills, knowledge and abilities. [Note: In approving educational and work experience qualifications for classified positions, the Commission shall insure that such requirements are related to duties of the class and that they will admit an adequate field of competition.]
G. A general statement indicating the testing methods which may be used in the evaluation process.
H. Last date to file an application and where applications are to be filed.
I. Information regarding any special requirements or licenses such as bilingual skills or any driver's licenses which may be required.
J. Information on the certification process.
K. Length of probationary period.
L. Veteran's point allowance if the examination is for a class considered entry level.
M. Notice that candidates may compete in an examination for the same class only once every three (3) months.
N. Notice to all open candidates that prior to appointment, they must be fingerprinted, undergo physical examination, and provide a certificate of tuberculosis examination.
O. Statement that the Pasadena Unified School District follows merit system principles and is an equal opportunity employer.

3. Applications for classified positions shall be solicited inside and outside the District as is determined to be appropriate by the Personnel Commission to ensure an adequate recruitment base. The job bulletin
shall be publicized for at least fifteen (15) business days and shall be posted at the Personnel Commission office and at each school in the District. While an Eligibility List for the vacant classification is unavailable, the vacancy may be filled on a “provisional” basis pending the creation of an Eligibility List.

4. The Personnel Commission shall be responsible for the review of all applications received by the cited closing date to determine those which meet the minimum qualifications. After this initial review, applicants who do not meet the minimum requirements shall be notified in a timely manner and be given seven (7) calendar days to appeal the decision of disqualification. All candidates who meet the minimum qualifications shall proceed through the prescribed examination procedure(s).

B. Examination

1. The purpose of an examination is to provide equal opportunity for all qualified candidates to demonstrate their relative fitness in relationship to the skills, knowledge, and abilities required for the classification. Examination may be composed of a written test, oral interviews, performance test, assessment center, practical demonstration, or any combination necessary.

2. The Personnel Commission shall determine the relative weight of each test part of the examination based upon an analysis of the skills, knowledge, and abilities assessed in each test part.

3. The Personnel Commission shall notify candidates of the date, time, and location of each test at least seven (7) days prior to the test.

4. Following the administration of a written, oral, or performance examination, a review period will be established which shall be announced to each candidate.
5. Interviewers and graders shall be selected by the Personnel Commission based upon their qualifications to evaluate candidates in the particular job field and in the various elements identified by the job analysis. (The Personnel Commission shall seek advice from the Director of Personnel Services prior to making a final selection of interviewers and graders.) All panels shall consist of at least two (2) members. When the panel is directed to evaluate the technical knowledge and skills of the candidate, at least two (2) members of the panel shall be technically qualified in the specific occupational area. Utilization of panel members from outside the District is encouraged; however, as necessary and practical, representatives from the District may serve on panels. No supervisor will serve on a panel who has a vacant position in the classification for which the examination if being held.

6. The Personnel Commission shall brief panel members on the day of, or prior to, the examination and provide the panel members with an overview of the classification, the factors that they are to consider in evaluating the candidates, an explanation of how to use the structured examination materials, and a review of interviewing and testing techniques.

7. Interviews of each candidate shall be recorded. Each candidate shall, prior to the interview, be advised that their interview will be recorded, the purpose of the recording, the period of retention, and appeal procedures. No candidate may listen or have access to any recordings.

8. The minimum passing score in an examination shall be seventy percent (70%). An examination may be “bonused” if the tests were found to be at a higher level of difficulty than appropriate for the classification.

9. At the conclusion of the examination process, the Personnel Commission shall notify each candidate of his/her score for each test part, additional veteran’s or promotional seniority credits, the total thereof, and his/her rank on the appropriate Eligibility List.
C. Eligibility List

1. Upon creation of an Eligibility List, the Personnel Commission shall send the list to Personnel Services. The Eligibility List shall be good for up to one (1) year.

2. Personnel Services shall be authorized to certify the top three (3) ranks of the Eligibility List to the appropriate manager who shall interview all of the candidates and make a recommendation for appointment. If more than one vacancy to be filled, one additional rank shall be added to the certification list.

3. If none of the top three (3) ranks is acceptable, the hiring manager may not request additional ranks. Additional ranks may only be requested if one of the top three (3) ranks declines an offer of appointment, fails to report for an interview, fails to clear the background screening, or requests to be removed from consideration. Upon verification of the above, Personnel Services shall certify the next rank to allow the hiring manager to choose from the top three (3) ranks of those willing and able to accept the position.
II. MANAGEMENT PERSONNEL EVALUATION

1. All certificated management personnel – in the interests of the District – shall be evaluated formally each school year by the supervisory manager to whom they report or by a manager designated by the Superintendent. Management personnel may be evaluated more frequently if a change in assignment or duties has been made or if the manager’s performance has changed significantly since the last evaluation.

2. Evaluations shall be based on a minimum of two (2) observations of a manager’s performance conducted by the manager’s designated supervisor and written goals and objectives which reflect the skills, duties and responsibilities cited in the job description and the District’s goals.

3. Formal management evaluations shall be recorded in writing on a form prescribed by the Superintendent. The evaluation report must be signed by the evaluator and evaluatee and may be reviewed by the evaluator’s immediate supervisor at the request of either party. The evaluatee’s signature on the form does not have to signify agreement with the evaluation unless the evaluatee so indicates. A copy of the report shall be given to the employee after completion of the formal evaluation.

4. The results of each formal evaluation of an employee’s performance shall be presented in writing and discussed with the employee within a reasonable time after the last observation of that performance. If a problem has been observed or if a less than satisfactory rating has been given, the employee shall be provided with a specific description of the nature of the problem or reason(s) for the less than satisfactory rating and specific suggestions for improvement, growth, or change. Assistance and/or additional resources shall be provided to enable the
employee to make such improvement within a defined period of time to be agreed upon at the time of the evaluation.

5. Following the evaluation conference, the employee shall be entitled to attach a written response to the formal record of the evaluation. For certificated management employees, the summative evaluation documents should be completed and filed with the Personnel Services Department by June 30 of the year in which the evaluation is conducted. For classified management and confidential employees, the annual written evaluation should be completed and filed with the Personnel Services Department by the anniversary of the employee’s original hire date.

6. The evaluation forms are included in the Appendix.
A. Promotions, Transfers, Demotions and Dismissals

1. Management personnel shall not be promoted to a higher position or salary level except through the provisions of the management selection process; salary increases on the Management Salary Schedule shall not be granted unless the manager’s most recent evaluation has been satisfactory.

2. Management personnel may be transferred by the Superintendent with the approval of the Board of Education.

3. In the event of performance of duties which is considered unsatisfactory by the supervisory manager, the manager whose performance is being reviewed shall be informed of the specific nature of the unsatisfactory performance through either the formal evaluation procedures or in writing upon the discovery or documentation of such performance.

(a) If the nature of this performance is seen by the supervisory manager to be sufficiently serious to warrant the consideration of demotion or dismissal, the supervisory manager shall state explicitly in providing the written documentation that such an action is being considered and shall schedule a meeting with the affected manager within five (5) working days of the filing of the written report to discuss reasons for possible demotion or dismissal. The supervisory manager shall then prepare a written report and recommendation for the Superintendent within five (5) working days if demotion or dismissal is to be considered. The affected manager may attach a written statement of rebuttal to the written report.

¹ These procedures shall not preclude or limit the rights of the Board of Education to transfer, reassign, or demote a management employee for the good of the District. Further, any action taken by the Board shall conform to the California Education Code and Personnel Commission Rules for the Classified Service.
(b) If the Superintendent decides to seek dismissal, suspension or demotion, the employee shall be notified and the Superintendent shall present to the Board a written recommendation to demote or dismiss. The management employee's employment status shall be communicated to that person in writing before the statutory or contractual deadlines of the school year prior to the anticipated dismissal or demotion.

(c) A permanent certificated management employee who has received notice of the intent of the Board of Education to dismiss or suspend the employee for cause, may request a hearing within thirty (30) days after receipt of a copy of the written charges by filing a request for hearing. (Education Code section 44934.)

(d) A permanent classified management employee who has been demoted, suspended, or discharged by an action taken by the Board of Education, may appeal the action within fourteen (14) calendar days after receipt of a copy of the written charges by filing a written answer to the charges with the Personnel Commission. (Personnel Commission Rules section 9040).

B. **Certificated Management Reduction in Force**

The Board of Education recognizes a number of conditions, such as reduced state and federal revenues to the District, declining enrollment, reduction in services, and District budget cuts may require a reduction in the number of District management positions or a reduction in the number of District management personnel, or both.

The Board of Education delegates to the Superintendent the responsibility of identifying and recommending those management employees scheduled for reduction due to, but not limited to, the above conditions. The Superintendent shall take into account the following factors, which are not exclusive, when making such decisions:

1. The educational needs of the District;
2. The management employee's satisfactory job evaluation report for the prior two years;
3. Professional capabilities; and,
4. Length of service to the District.

The Superintendent or the Superintendent’s designee shall give written notice to the management employee scheduled for reduction prior to the statutory or contractual date applicable. A credentialed management employee who is reassigned as a classroom teacher shall assume his/her regular order of employment status among all teachers.

C. **Classified Management Reduction in Force**

Classified managers shall be entitled to the same procedure and have the same layoff rights as all other classified employees. In the event that a classified management employee has been identified for reduction, the Rules of the Personnel Commission (8000 series) shall determine when and how the employee is noticed as well as any bumping rights to which the employee may be entitled.

1. Classified employees shall be subject to layoff for lack of work or lack of funds. Whenever a classified employee is laid off, the order of layoff within the classification shall be determined by length of service based on District hire date. The employee who has been employed the shortest time in the District shall be laid off first.

2. Classified employees shall be given notice of layoff, no less than forty-five (45) days prior to the effective date of layoff, and informed of their displacement rights, if any, and reemployment rights.

3. Persons laid off because of lack of work or lack of funds are eligible for reemployment for a period of thirty-nine (39) months and shall be reemployed in preference to new applicants. In addition, such persons laid off have the right to participate in promotional examinations within the District during the period of thirty-nine (39) months.
4. Upon layoff, the incumbent shall have the right to "bump" the least senior employee in his/her current time assignment in the classification. Should the incumbent have the least amount of seniority at the particular time assignment, he/she shall have the right to "bump" the least senior employee in the classification who is working in a time assignment that comes closest to approximating that of the incumbent when compared by total number of hours worked on a yearly basis.

5. A lack of seniority in the employee's present classification will permit him/her to "bump" into the next previous equal or lower classification in which the employee has served and had seniority.
III. COMMUNITY/TEACHER/STUDENT CHARGES OR COMPLAINTS AGAINST MANAGEMENT PERSONNEL

A. If charges or complaints (used hereafter to refer to both) are made against management personnel alleging incompetence, misinterpretation, violation, or inequitable application of the Education Code, District policies and procedures, or school rules, effort shall be made to resolve them informally at the lowest applicable managerial level. No complaint shall be addressed at a higher managerial level unless it can be shown that an attempt was made to resolve it informally at the level at which it first became an issue.

B. Management personnel and/or members of the Board of Education who receive complaints regarding a management employee shall direct the person(s) making the complaint to meet with the employee against whom it is made. If the person(s) making the complaint are unwilling to initiate such a meeting, the manager receiving the complaint shall notify the employee personally or in writing through the appropriate chain of command within five (5) working days; members of the Board of Education who receive complaints against a manager shall report them to the Superintendent who shall then refer them to the manager. No other actions shall be taken by any superior administrator until the manager against whom the complaint has been addressed has been notified and involved in its resolution.

C. The manager against whom the complaint has been made shall attempt to resolve the issue informally by meeting with the person(s) making the complaint. The manager’s immediate supervisor shall be notified of the attempt and, if the complaint is resolved, the nature of its resolution. No record of complaints which are resolved informally shall be placed in employee files.

2 If the complaint is filed by a member of a bargaining unit concerning an item included within their certificated or classified collective bargaining agreement, that Agreement’s grievance procedure shall be utilized.
D. If a complaint cannot be resolved informally, the person(s) making the complaint shall present it in writing and indicate why they find the proposed informal resolution unacceptable. This signed written complaint shall be given to the manager against whom it is made within ten (10) working days and responded to in writing within another ten (10) working days.

E. If the complaint still cannot be resolved, the person(s) making the complaint, the manager involved, and the supervisory manager will meet within ten (10) working days to attempt to find an acceptable solution. If no resolution can be found at this meeting, the complaint (and the remedies proposed by either or both parties) shall be submitted in writing to the appropriate Risk Management Office within ten (10) working days. The Risk Management Office will refer the complaint to the appropriate office for further handling.

F. If the complaint cannot be resolved satisfactorily by the appropriate office, the matter shall be referred to the Superintendent or designee who shall schedule a meeting of all parties to the complaint and issue a ruling within thirty (30) calendar days of its receipt. If this ruling is unacceptable to the person(s) making the complaint or to the manager against whom it has been made, the ruling may be appealed to the Board of Education in closed session for action within thirty (30) days.

G. Before any Board consideration of a complaint, the Superintendent or designee shall submit to the Board a written report concerning the complaint. The Board may uphold the Superintendent’s decision without hearing the complaint. Any decision of the Board shall be final.

H. Throughout the complaint process, a manager shall be entitled to be able to face the person(s) making the complaint, to seek and receive information regarding the complaint, to seek advice from representatives of management personnel or from the Association of Pasadena School Administrators, and to present information (in writing) in rebuttal.
I. The complaint procedures set forth in Board Policy 4144, shall supersede the language in this section handbook.
IV. MANAGEMENT EMPLOYEE SALARY AND BENEFITS

A. Salary

All management employees, except contract management employees, shall be paid in accordance with the Management Salary Schedule. Classified supervisors shall be paid in accordance with the Classified Supervisors Salary Schedule. Confidential employees shall be paid in accordance with the Confidential-Classified Personnel Salary Schedule. (The salary schedules are attached as Appendices D, E and F, respectively.)

In the event that a salary increase, on or off the salary schedule, is given to any of the District’s bargaining units, the Superintendent shall meet and confer with the designated representatives to discuss the salary of management, supervisory and confidential employees.

B. Health and Welfare Benefits

Management employees shall receive those benefits and privileges which are negotiated by bargaining unit members with respect to enrollment in health, dental, visual, and other District approved employee plans; however, the Superintendent shall meet and confer with the designated representatives to discuss the District’s contribution, if any, toward the cost of health and welfare benefits of management, supervisory and confidential employees. This paragraph shall not be construed as a "me too" clause.

C. Loss of Property

Reimbursement shall be made to management personnel for the loss, destruction, or damage of personal property sustained in situations that fall within the scope of District employment. Reimbursement for property other than personal articles, such as clothing, eyeglasses, and watches, shall be made only for articles whose use has been approved via a District form before the article(s) has been brought to school, and when the immediate administrator and the manager bringing the property have agreed in advance as to the approximate monetary value of the property. (See Education Code section 35213 and Board Policy No. 4156.3.) No
reimbursement shall be made for theft, accidental damage, or any other loss suffered because of lack of personal supervision by the owner or failure to keep property in a locked area available to the owner.

Personal automobiles or the like shall be covered by this section to the extent that the damage or loss shall have occurred at a school or school function which the manager is required to attend. Examples of such damage or loss are slashed tires or stolen batteries. The maximum reimbursement shall not exceed $200 for each incident, nor shall the reimbursement be less than $10, provided the property is not covered by the manager's insurance. (See Board Policy No. 4156.3)

D. **Automobile Mileage Reimbursement**

A mileage allowance is authorized for District personnel who are required to use privately owned vehicles for transportation in connection with school business. A mileage report shall be submitted at the end of each month for which the mileage is being claimed; claims submitted more than ten (10) working days after the end of the month for which mileage is being claimed will not be honored. Mileage shall be reimbursed at the allowable IRS rate. (See Board Policy 4133.)

E. **Earned Vacation**

Managers on ten (10) and eleven (11) month assignments do not accrue paid vacation days but shall be required to report for duty only a specified number of days each school year. Managers on twelve (12) month assignments accrue two (2) days of paid vacation time per month of assignment. Managers shall make every effort to take sufficient days of vacation each year to prevent their excess accumulation. Each supervisory manager shall maintain accurate and up-to-date records on all twelve-month management employees to ensure that no managers carry more than ten (10) accrued vacation days past July 1 of any year except as approved by the supervisory manager and the Superintendent; in no case shall a twelve-month manager be allowed to carry more vacation days than are accrued in a single year.
If the needs of the District interfere with prearranged vacation plans approved by the supervisory manager and/or the Superintendent, the managers so affected will be either allowed to accrue additional days of vacation or will be paid one (1) day’s pay for each vacation day which cannot be taken; claims for such payment shall require the Superintendent’s approval. Managers changed from twelve (12) month assignments to eleven (11) or ten (10) month assignments automatically shall be paid for each accrued vacation day at a daily rate equivalent to their placement on the Management Salary Schedule.

Vacation days for the current school year need not be accrued prior to taking a vacation. Vacation days which have not been earned and have been advanced to an employee who does not complete the school year will be deducted from the employee’s final pay warrant.

At the time of retirement, resignation, or reassignment, managers shall be paid in full for up to twenty-four (24) days of unused vacation time; for the purposes of both computations, the daily rate is defined as 1/22 of the employee’s monthly rate.

F. **Holidays**
All District holidays shall be listed annually in the official calendar for each school year. Management employees shall be granted time off with pay for all listed holidays and those which may be granted by proclamation by the President or Governor or as approved by Board of Education action; such paid holidays shall not be subtracted from earned vacation time or pay accrued by any manager.

G. **Leaves**
In accordance with Board Policy 4361, certificated management and supervisory employees shall be entitled to those leave provisions provided in the certificated agreement unless otherwise specified in Board policy, administrative regulations or individual contract and classified management,
supervisory and confidential employees shall be entitled to those leave provisions provided in the classified negotiated agreement unless otherwise specified in Board policy, administrative regulations or individual contract.

Leaves, paid or unpaid, taken on the initiative of a management employee do not carry with them any guarantee that a position will be held for them at the management level upon return from the leave. Each leave carries with it only the guarantee of a District position as a teacher in case of a certificated manager with tenure; or, in the case of a classified manager, through prior written agreement with the Superintendent.

Management personnel shall record personnel necessity and illness absences with their supervisory manager. Management personnel shall receive one (1) day of illness/injury leave credit for each month of their annual assignment; e.g., ten (10) month employees receive ten (10) days. Management personnel shall receive full pay for illness/injury days thus accrued in any school year, and the number of days not used shall accumulate from year to year. Illness/injury leave for the current school year need not be accrued prior to taking such leave by the unit member. Illness/injury leave which has not been earned and has been advanced to a unit member who does not complete the school year will be deducted from the manager's final pay warrant.

A manager, supervisor or confidential employee in the classified service who has exhausted all accumulated illness/injury leave credit shall be entitled to fifty percent (50%) pay for one hundred (100) working days. A manager, supervisor or confidential employee who has used a portion of his/her one hundred (100) working days in one school year shall be entitled to that portion of the one hundred (100) working days which remains in the succeeding year if the illness/injury is the same or directly related to the original illness/injury.
V. LENGTH OF ASSIGNMENTS

Management positions are assigned for ten (10), ten and one-half (10 ½), eleven (11), or twelve (12) months pursuant the Employee Work Calendar which shall be established by April 15th of each year. The calendar shall be calculated on the basis of a Monday through Friday work week.

The specific dates and reporting times shall be published annually – but no later than April 15th of each school year – in the District's official calendar.
VI. CONFERENCE ATTENDANCE AND PROFESSIONAL GROWTH

A. The Board of Education – upon the recommendation of the appropriate supervisory manager and after approval by the Superintendent – may authorize participation in County and State-wide professional administrative conferences, inservices, and meetings.

B. For this purpose, the Board of Education – upon the recommendation of the Superintendent – may authorize “release time” for organizational business and professional growth; participants shall be chosen by management personnel and the Association of Pasadena School Administrators and shall attend without loss of pay.

C. The Board of Education may budget funds each year to enable management employees to attend District-approved conferences and professional growth opportunities. Participants will be selected by supervisory managers for approval by the Superintendent; Board Reports shall be prepared by the respective supervisory managers upon approval. Participants shall attend without loss of pay; substitutes shall not be provided. Necessary expenses for travel, lodging, meals, and fees may be paid by the District following established procedures.

D. Upon request of his/her supervisor, participants, who are selected to attend District-approved conferences, etc., shall prepare a written report on the conference, using a one-page form prepared by the District for presentation to their supervisory manager within one (1) week of their return to the District or resumption of normal duties. This report, upon request, shall be made available to the Superintendent and/or Board of Education.
VII. MANAGEMENT GRIEVANCE PROCEDURE

1. The grievance procedure shall be used by any manager or group of managers who feel that there has been a violation, misrepresentation, or inequitable application of specific Board policies. Grievances shall not become part of a grievant’s personnel file. The recruitment and selection of management personnel is specifically excluded as a grievable matter but is subject to the review provisions specified in Board policy.

2. At the informal level, managers who feel they have a grievance shall discuss the problem with the person against whom the grievance is held. The grievance shall be submitted within ten (10) working days of the occurrence of the alleged act or condition. At any stage of the proceedings, both parties to the issue may seek counsel and be accompanied by selected representatives.

3. If the grievant is not satisfied with the disposition of a grievance at the informal level, the manager shall present the grievance, in writing, within ten (10) working days to the same supervisory manager, who shall have five (5) days to respond, in writing.

4. If the grievant is not satisfied with the disposition of the grievance at this level, the decision may be appealed, in writing, to the immediate supervisor of the manager against who the grievance is held. Such an appeal shall occur within ten (10) working days of the decision being appealed. The immediate supervisor shall then arrange a meeting with all parties concerned to review the grievance and shall provide a written response within five (5) working days.

5. If this response is unsatisfactory and the grievance remains unresolved, it may be further appealed within ten (10) working days to the Superintendent. The Superintendent’s decision shall be final pending an appeal to the Board of Education in executive session. In the event of an appeal, the Board, however, may return the case to the Superintendent for further consideration or render its own decision.
VIII. CONSULT-AND-CONFER SESSIONS

A. The Superintendent or designee shall meet and confer with the official representatives of management personnel and the Association of Pasadena School Administrators at regular intervals to discuss matters of concern and interest to all management. Meetings may be called either by the District or by the representatives of management personnel; each such request will be honored within five (5) working days.

B. The Superintendent may recommend the appointment of representatives of management personnel and of the Association of Pasadena School Administrators to provide input on District-sponsored committees which deal with the improvement of educational opportunities and services to the community or which affect management employees. All participation by management employees on District-sponsored committees shall be reviewable by the Superintendent.

Acceptable Use Policy for employees

Acceptable Use Agreement
Terms and Conditions for Computer Use, Network Access, and Internet Use

Pasadena Unified School District has access to the Internet, a world-wide computer network. The Internet is the most effective way we have found for introducing students to the global nature of information. It allows users to share information in a variety of ways with other individuals all over the world.

The Internet has come about because groups of individuals have chosen to network their computers in order to share information. A small minority have made objectionable materials available over the Internet. Pasadena Unified School District takes every precaution to restrict access to this material; however, an industrious user may discover it. Disciplinary action will be taken against users found sending or acquiring objectionable material over the Internet.

Each user of the District's Computer Systems, local and wide area networks, and the internet agrees to the following conditions:

1. Never write or share your password!

2. All network communication must be polite, kind, and free from inappropriate language. As with other forms of communication, E--Mail may not be used in a manner that is disruptive to the work or educational environment. The display or transmission of messages, images, cartoons, or the transmission or use of E-Mail or other computer messages that are sexually explicit constitute harassment and may subject the individual to disciplinary action.

3. The transmission of copyrighted materials without the written permission of the author or creator through District E-Mail or other network resources in violation of U.S. copyright law is prohibited.

4. Access to the District's computers, networks, E-Mail and similar electronic communication systems is a privilege and certain responsibilities accompany that privilege. District Users are expected to demonstrate the same level of ethical and professional manner as is required in face-to-face or written communications. Anonymous or forged messages will be treated as a violation of this policy.

5. E-Mail and computer files are not guaranteed to be private. The Distrect reserves the right to access E-Mail and files in order to engage in routine computer maintenance, to carry out internal investigations, to prepare responses to requests for public records, or to disclose messages, data or files to law enforcement authorities.

6. No attempt to tamper with other people's data or to gain unauthorized access to computer systems or accounts on the Internet is permitted. Unauthorized attempts to access another person's E-Mail or similar electronic communications or to use another's name, E-Mail or
computer address or workstation to send E-Mail or similar electronic communications is prohibited and may subject the individual to disciplinary action.

7. Modifications to District's computers (hardware or software) will not be made without approval of the system administrator. All software loaded to the District's computer systems will be properly licensed.

8. All users must understand that the District cannot guarantee privacy or confidentiality of electronic documents, and any messages that are confidential as a matter of law should not be communicated over E-Mail.

9. Messages sent as E-Mail should meet the same standards for distribution or display as if they were tangible documents or instruments. As with all records maintained by the District and to the extent required by law, files saved in the District's information system, including E-Mail, may be subject to release with a public record disclosure request.

10. District E-Mail or other network resources may not be used for commercial purposes or for personal financial gain. Personal addresses, phone numbers, and financial information shall not be included in network communication.

11. E-Mail shall be read and deleted regularly. File server space is limited.

12. If you are unsure, ask the system administrator.

13. Placement of copyrighted material on the Internet, E-Mail, or other system via a telephone line without the author's permission and reception of copyrighted material for other than personal use, without the author's permission.

14. Transmission or reception of material which plagiarizes another's work (defined as copying another's work without citing or crediting the author).

15. Transmission or reception of material that is threatening, obscene, disruptive, sexually explicit, protected as a trade secret, classified by an agency of the federal government, or that harasses or disparages others based upon race, national origin, sex, sexual orientation, age, disability, religion, or any materials promoting the use of drugs, alcohol or tobacco.

16. Transmission or reception of material which violates an individual's right to privacy including but not limited to disclosure of address, telephone number, and private or personal facts about the individual.

17. Participation in discussion or planning leading to the solicitations of others to engage in illegal or criminal activities.

18. Use of the District electronic system for commercial activities, (for example, buying, selling, and marketing of products and services.)
19. Deliberate unauthorized attempts to delete, change, or destroy data or files of another user or of other agencies, networks, or computers connected to the District system.

Acceptance:

1. I understand that computer, network and Internet use at Pasadena Unified School District is a privilege and not a right and that my use of this privilege may be revoked at any time for any reason.

2. As a condition of my use of computer, network and Internet, I will abide by the Terms and Conditions for computer use at Pasadena Unified School District pursuant to Board Policy (BP) 4040, and by any future terms or conditions that may be developed. I understand disciplinary action will be taken if I am found abusing my computer privileges.

**FAMILY CARE AND MEDICAL LEAVE**

The district shall not refuse to hire and shall not discharge, fine, suspend, expel or discriminate against any employee because he/she exercises the right to family care leave or because he/she gives information or testimony related to his/her or another person's family care leave in an inquiry related to family leave rights. (29 U.S.C. 2615; Government Code 12945.2)

"Instructional employee" means an employee whose principal function is to teach; instructional employees include athletic coaches, driving instructors, special education assistants and signers for the hearing impaired. The term does not include teacher assistants or aides, counselors, psychologists, curriculum specialists or other primarily noninstructional employees. (29 C.F.R. 825.600)

"Serious health condition" means an illness, injury, impairment or physical or mental condition that involves either of the following: (29 U.S.C. 2611; Government Code 12945.2)

1. Inpatient care in a hospital, hospice or residential health care facility
2. Continuing treatment or continuing supervision by a health care provider

**Eligibility**

Any eligible employee who has served the district more than one continuous year shall be eligible to take unpaid family care and medical leave under the
FAMILY CARE AND MEDICAL LEAVE (continued)

provisions of state and federal law. Employees who worked 1,250 hours or more during the previous year are eligible for family care and medical leave. (29 U.S.C. 2611; Government code 12945.2; 29 C.F.R. 825.110; Code of Regulations, Title 2, Section 7297.0)

For eligibility purposes, full-time teachers are deemed to meet the 1,250 hour test. (29 C.F.R. 825.110)

Family care and medical leave may be used for the following reasons: (29 U.S.C. 2612; Government Code 12945.2)

1. Because of the birth of the employee’s child, and in order to care for the child

2. Because of the placement of a child with the employee for foster care or in connection with the employee’s adoption of the child

3. In order to care for the employee’s child, parent or spouse with a serious health condition

4. Because of the employee’s own serious health condition which makes the employee unable to perform the functions of his/her job, except for leave taken for disability on account of pregnancy, childbirth or related medical conditions

Requests, Advance Notice and Certification

The employee shall give the district at least 30 days' written advance notice of his/her need for family care and medical leave. If the employee learns of the need for this leave fewer than 30 days in advance, he/she shall provide such notice as soon as practicable. (29 U.S.C. 2612; Government Code 12945.2)

If leave is needed for a planned medical treatment or supervision, the employee shall make a reasonable effort to schedule the treatment or supervision to avoid disruption of district operations. This scheduling shall be subject to the health care provider’s approval. (29 U.S.C. 2612; Government Code 12945.2)
FAMILY CARE AND MEDICAL LEAVE (continued)

When requesting family care and medical leave because of a serious health condition, the request shall be supported by a certification from the health care provider of the person requiring care. This certification shall include the following: (29 U.S.C. 2613; Government Code 12945.2; Code of Regulations, Title 2, Section 7297.0)

2. The probable duration of the condition

3. If the employee is requesting leave to care for a child, spouse or parent who has a serious health condition, the health care provider's certification of both of the following:

   a. Estimated amount of time the health care provider believes the employee needs to care for the child, parent or spouse

   b. Statement that the serious health condition warrants the participation of a family member to provide care during a period of the treatment or supervision of the child, parent or spouse

4. If the employee is requesting leave because of his/her own serious health condition, the health care provider's certification that due to the serious health condition, the employee is unable to perform the functions of his/her job

The health care provider's certification need not identify the serious health condition involved. When the employee is requesting leave because of his/her own serious health condition, this information may be included at the employee's option. (Code of Regulations, Title 2, Section 7297.0)

If additional leave is needed when the time estimated by the health care provider expires, the district may require the employee to provide recertification as specified above. (29 U.S.C. 2613; Government Code 12945.2)

If the employee is requesting leave for intermittent treatment or is requesting leave on a reduced leave schedule for planned medical treatment, the certification must also state the medical necessity for the leave, the
FAMILY CARE AND MEDICAL LEAVE (continued)

dates on which treatment is expected to be given, the duration of such treatment, and the expected duration of the leave. (29 U.S.C. 2613)

If the district has reason to doubt the validity of a certification that accompanies a request for leave, the district may challenge the certification and require the employee to obtain, at district expense, a second opinion from a district-approved health care practitioner. If the second opinion is contrary to the first, the district may require, again at district expense, that the employee obtain a third medical opinion from a third health care practitioner approved by both the employee and the district. (29 U.S.C. 2613; Government Code 12945.2)

Terms of Leave

Family care and medical leave shall not exceed 12 work weeks during any 12-month period. (29 U.S.C. 2612; Code of Regulations, Title 2, Section 7297.3)

This 12-month period shall coincide with the fiscal year.

Leave taken pursuant to the California Family Rights Act shall run concurrently with leave taken pursuant to the federal Family and Medical Leave Act (FMLA), except for any leave taken under the FMLA for disability on account of pregnancy, childbirth, or related medical conditions. In addition to family care and medical leave, an employee may be entitled to take pregnancy disability leave of up to four months. During the otherwise unpaid portion of pregnancy disability leave, the employee may use any accrued vacation, sick time or other paid leave. (Government Code 12945, 12945.2)

( cf. 4161/4261 - Leaves)
( cf. 4161.1/4361.1 - Personal Illness and Injury Leave)
( cf. 4261.1 - Personal Illness and Injury Leave)

Leave taken for the birth or placement of a child must be concluded within one year of the birth or placement of the child.

If both parents of a child work for the district, their family care and medical leave related to the birth or placement of the child shall be limited to a total of 12 weeks. (Government Code 12945.2)
FAMILY CARE AND MEDICAL LEAVE (continued)

During the period of family care and medical leave, the district shall require the employee to use his/her accrued vacation leave, other accrued time off, and any other paid or unpaid time off negotiated with the district. Accrued sick leave shall be used when the purpose of the family care and medical leave is one for which sick leave may be taken pursuant to collective bargaining agreements and/or Board policy. (Government Code 12945.2)

(cf. 4141/4241 - Collective Bargaining Agreement)

The district may require an instructional employee to continue taking a requested leave until the end of the term in any of the following situations: (29 U.S.C. 2618)

1. If the instructional employee begins a leave of three or more weeks' duration more than five weeks before the end of a term and would subsequently return to work during the last three weeks of the term

2. If the instructional employee, for reasons other than his/her own serious health condition, begins a leave of more than two weeks' duration during the period that begins five weeks before the end of the term and would subsequently return to work during the last two weeks of the term

3. If the instructional employee, for reasons other than his/her own serious health condition, begins a leave of more than five days' duration during the period that begins three weeks before the end of the term

Maintenance of Benefits

During the period of family care and medical leave, the employee shall continue to be entitled to participate in the district's medical, dental and vision plan. (29 U.S.C. 2614; Government Code 12945.2)

If the employee fails to return from leave after the leave period has expired for a reason other than the continuation, recurrence or onset of a serious health condition or other circumstances beyond the employee’s control, the
FAMILY CARE AND MEDICAL LEAVE (continued)

employee may be required to reimburse any health premiums paid by the district during the period of leave. (Government Code 12945.2)

The employee shall also continue to be entitled to participate in life, disability and accident insurance plans, pension and retirement plans, supplemental unemployment benefit plans, and/or any other employee welfare benefit plan to the same extent and under the same conditions as apply to an unpaid leave taken for any other purpose. In the absence of these conditions, the employee shall continue to be entitled to participate in these plans and the district may, at its discretion, require the employee to pay the premium for periods not covered by accrued leave. (Government Code 12945.2)

Maintenance of Status

The employee shall retain his/her employee status with the district during the leave period, and the leave shall not constitute a break in service for purposes of longevity or seniority under any employee benefit plan or collective bargaining agreement. For purposes of layoff, recall, promotion, job assignment and seniority-related benefits such as vacation, the employee returning from family care and medical leave shall return with no less seniority than he/she had when the leave began. (29 U.S.C. 2614; Government Code 12945.2)

Reinstatement

Upon granting an employee’s request for family care and medical leave, the district shall guarantee to reinstate the employee in the same or a comparable position when the leave ends. (29 U.S.C. 2614; Government Code 12945.2)

The district may refuse to reinstate an employee returning from leave to the same or a comparable position if all of the following apply: (29 U.S.C. 2614; Government Code 12945.2)
FAMILY CARE AND MEDICAL LEAVE (continued)

1. The employee is a salaried "key employee" who is among the highest paid 10 percent of those district employees who are employed within 75 miles of the employee's worksite.

2. The refusal is necessary to prevent substantial and grievous economic injury to district operations.

3. The district informs the employee of its intent to refuse reinstatement at the time it determines that the refusal is necessary, and the employee fails to immediately return to service.

An employee who takes leave has no greater right to reinstatement than if he/she had been continuously employed during the leave period. If the district reduces its work force during the leave period and the employee is laid off for legitimate reasons at that time, he/she is not entitled to reinstatement, provided the district has no continuing obligations under a collective bargaining agreement or otherwise. (C.F.R. 825.216)

(cf. 4117.3 - Personnel Reduction)
(cf. 4217.3 - Layoff/Rehire)
(cf. 4317.3 - Personnel Reduction)

Separate notices about federal and state law related to family care and medical leave shall be posted in a conspicuous place. Information about employee rights and obligations related to such leaves shall also be included in employee handbooks. (29 U.S.C. 2619; Code of Regulations, Title 2, Section 7297.9)

At least the first time in each six-month period that an employee requests family care and medical leave, the Superintendent or designee shall provide written notice detailing specific expectations and obligations and explaining any consequences of a failure to meet these obligations. The notice shall include: (29 C.F.R 825.301)
FAMILY CARE AND MEDICAL LEAVE (continued)

1. Notice that the leave will be counted against the employee’s annual family care and medical leave entitlement.
