LADD Updates

- **Our department sent over 21 coaches, teachers, principals, and district TOSAs to an all day workshop on how to support and identify for eligibility English Learners with IEPs;**
- **LADD trained all schools on the VCCALPS testing of EL students with special needs;**
 - **VCCALPS is a separate instrument used to assess students with an IEP that might not otherwise be able to take any or all parts of the ELPAC;**

LADD Updates

- **We have officially ELPAC tested 2,440 English Learners this past spring, and 372 students met all requirements for reclassification giving us a final Reclassification percentage of 16%;**
 - **LADD has provided every reclassified EL with an individualized trophy and certificate signed by the superintendent;**
- **This year the PUSD will ELPAC test 2,196 English Learners; many schools have begun testing;**

LADD Updates

- **LADD funded for substitutes to assist schools that have many ELs with ELPAC testing; we trained, calendared, and arranged for the substitutes to go to the many schools with many ELs to help with testing;**
- **Our English Learner After-school and Saturday school tutoring and intervention is a BIG success, currently LADD is helping ELs at Altadena, Cleveland, Franklin, Hamilton, Jackson, Jefferson, Longfellow, Madison, McKinley, Roosevelt, Washington Elementary, Willard,**
- **Blair H.S., and PHS;**
