

Math Summer Work

- To prepare for the 2021-22 school year, each student needs to continue their math work during the summer break. Maintaining and improving your math skills require regular attention.
- Please continue to work on your ALEKS course. This includes completing knowledge checks when scheduled.
- If you are moving on to AP Calculus AB or BC you will receive an email from Mr. Wu regarding the summer work.
- We appreciate your dedication and desire to improve your math skills. Being prepared will help make the 2021-22 school year wonderful, great, and fantastic.
