

# LCAP Update

April 2020

# We had a detour...

The outbreak of COVID-19 placed the district into uncharted territory.

## Successes

We had remote learning policies, platforms, and content in place BEFORE school closures ever occurred.

- Allowed planning in a phased approach
- Gave planning time to instructional staff
- Support parents to reinforce learning gains
- Constructed a frame to scaffold supports to our most vulnerable families

## Challenges

Prior contingency plans included providing internet hotspots and chromebooks as part of the plan to ensure equitable access to technology

- Our students' need for hotspot devices outpaced our capabilities to provide them
- Providing continuity of services to students with IEPs

## Learnings

This has highlighted that while we prioritize the needs of our most vulnerable students, we still have work to do in anticipating the needs and equity-gaps of our own policies and plans.

- Strong family-communication channels are essential to us as a service provider/leader
- More strategic consideration are needed to modify and accommodate remote learning content for students with IEPs

# What this means for us now...

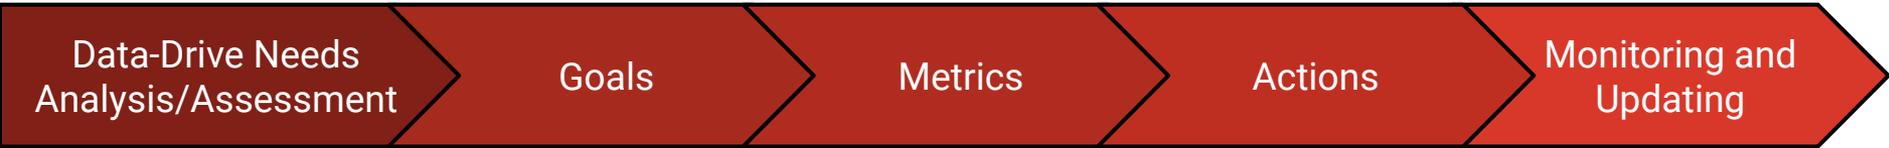

- Timelines for budget submissions and development may be delayed.
- LCAP timelines are dictated by state law, with no waiver/exception authority provided to the Governor's office nor Department of Education.
- It is critical for use to maintain on-going conversations and learning around the needs and equity gaps our students and families are experiencing.
- This development period has a large amount of uncertainty for developing long term strategic plans.

Our general approach for now, is to minimize uncertainty by treating the 2020-2023 LCAP a rollover of the 2017-2020 LCAP to minimize structural changes.

# What we started with...

LCFF Priorities		State Indicator	Local Indicator
1	Basic Services		Basics: Teachers, Instructional Materials, Facilities
2	Implementation of Standards		Implementation of Academic Standards
3	Parent Engagement		Parent Engagement
4	Pupil Achievement	Academic Indicator (Gr. 3-8, 11) English Learner Progress Indicator	
5	Pupil Engagement	Chronic Absence Indicator (K-8) Graduation Rate Indicator (HS)	
6	School Climate	Suspension Rate Indicator	Local Climate Survey
7	Course Access		Access to a Broad Course of Study
8	Other pupil outcomes	College/Career Indicator (HS)	

# The structure of an LCAP

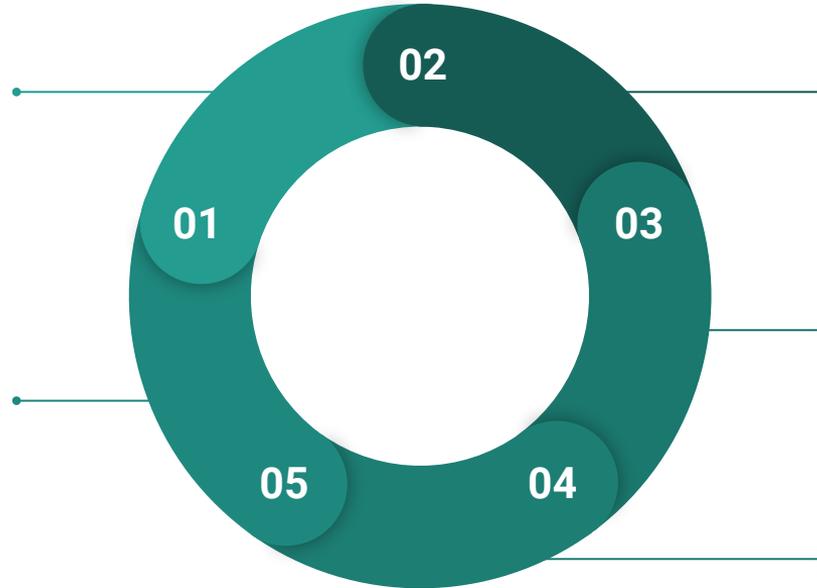

## Needs Analysis/Assessment

Informed by State Dashboard and compliance monitoring reports

## Monitoring and Updating

Review the impact actions had on the defined metrics to determine effectiveness of the overall plan to inform adjustment.

## Goals

Developed in consultation with stakeholder groups including students, parents, teachers, administrators, staff, and community partners

## Metrics

Measurable outcomes that will be monitored over the course of the three-year LCAP

## Actions

Specific services, programs, expenditures which impact metrics

# Where we have already been?

Five broad goals defined general categories for PUSD's focus

- Student Achievement and Dashboard Results
- Teacher Capacity and Quality Curriculum
- Student Safety and School Climate
- Parent and Community Engagement
- District Systems and Processes

LCAP Task Force 6 work session periods

- Understand Priorities and Goals
- Refinement/Update LCAP Metrics
- Review/Refine Actions
- Review/Refine Stakeholder Surveys
- Look at new LCAP Template
- CSI case study and Dashboard input

# Where we were heading...

Five broad goals defined general categories for PUSD's focus:

1. Student Achievement and Dashboard Results
  - Embedding of narrower sub-goals to highlight English Learner and Foster Youth target student groups.
2. Teacher Capacity and Quality Curriculum/Instruction
3. Student Safety, School Climate, and Technology Capital
4. Parent and Community Engagement
5. Compliance Monitoring, Continuous Improvement, and Direct School Support

- The following is summary of Annual Update. The full version is available at <https://www.pusd.us/Page/3679> once it is completed
- Then, we are providing a preliminary outline with simplified goals and actions to serve as a starting point for the 2020-23 LCAP
- Column on right indicates where item was located in previous 2019-20 LCAP.
- The next slide illustrates how these items would come together in the longer eLCAP template that will now be due in December 2020.

# Highlights from the Annual Update

Key outcomes	What we've learned	Ideas moving forward
Learning gains in ELA across almost every target student group	Focus on Balanced Literacy in Elementary Grades is translating to gains in reading.	Continue to focus on early grades literacy
Graduation rates have remained relatively flat	CTE pathways has diversified College/Career Readiness avenues	Embed target subgoals to highlight achievement inequities and gaps for target student groups.
A-G rates risen for almost every student group.	EL and FY achievement gaps persist	Continue diverse instructional pathways
Provide instructional coaches at school sites Quality curriculum implemented Quality PD for instructional staff through CIPD	Strong infrastructure already exist for online learning. Equity issues are a challenge: access to technology and internet outside of school	Refine policies to specifically consider delivery needs/accommodations of online learning for student who are EL, SWD, and/or SED.
Chronic absenteeism remains a challenge  62% of students feel connected to their school  78% of school are rated "Good" or higher (FIT)	Custodians/safety officers contribute to security and basic conditions for learning  FY wrap-around services reduce dropout rates	Focusing on baseline quality of facilities  Articulating FY needs addressed by services  Integrating student voice in meaningful ways
Family engagement numbers increased 5%  Stakeholder input: how do you measure quality?	More strategic planning for gathering levels of engagement and quality of engagement needs to be completed	Defining/Refine baseline metrics for levels of engagement; research and develop measures of quality
86% of staff agree data drives decision-making  All departments engage in internal reporting	Stronger practices for internal-review should be explored; Learning gains from improvement cycles could be better communicated.	Provide clearer purpose of Goal 5 as a school-supports goal to drive evaluations during improvement cycles
