Classified Management Salary Schedule

A service increment of 2 1/2% of the base amount is added for each classified manager beginning the 11th year of service to the District.

A service increment of 5% of the base amount is added for each classified manager beginning the 21st year of service to the District.

Classified Managers who have previously completed the professional growth program received an increment of 3% of their base salary. The base salary used to compute this increment is the base salary on July 1 following the fiscal year in which the professional growth course work was completed.

Placement on the Salary Schedule plus professional service increment will be based on experience and determined by the Chief Human Resources Officer on the approval of the Superintendent.

Those managers presently employed with the District and paid on the Management Salary Schedule who are promoted to

1. Placement will be made at the correct range for the new position.
2. Placement will be made in the column within that range that reflects the next highest dollar amount over the individual's present salary or 5 % increase, whichever is greater.
