**NOTICE OF PUBLIC HEARING
REGARDING CONSIDERATION OF ENTERING
INTO AN ENERGY SERVICES CONTRACT AND ADOPT
CERTAIN FINDINGS PURSUANT TO GOVERNMENT CODE
SECTION 4217.12**

NOTICE IS HEREBY GIVEN of the intention of the Board of Education of the Pasadena Unified School District to consider entering into an energy services contract with California PV Energy 3, LLC as assignee of PFMG Solar PUSD, LLC for the implementation of certain energy related improvements to District facilities pursuant to Revised and Restated Power Purchase and Solar Site Easement Agreements in accordance with California Government Code Sections 4217.10 to 4217.18. The Board of Education intends to adopt findings that provide that the cost to the District to implement the energy related improvements per these agreements will be less than the anticipated marginal cost to the District of thermal, electrical, or other energy that would have been consumed by the District in the absence of purchasing the energy improvements.

The Board of Education shall hold a public hearing on April 23, 2020, at 3:00 p.m. or as soon thereafter as is practical for the purpose of taking public comment concerning the proposed agreements. The public hearing will be via teleconference. The public is cordially invited to participate in this meeting via Google Hangout: phone call 1-931-805-1067; access code 143 170 943#. Should you wish make public comment, you may email your comments to superintendent@pusd.us. To be considered, your email must be received at the email address indicated prior to the close of the public hearing.

Any person challenging in court the decision made at the conclusion of such public hearing may be limited to raising only those issues raised at such hearing or in correspondence delivered to the school district prior to the close of such hearing.
