# PASADENA UNIFIED SCHOOL DISTRICT

## RESOLUTION 2722

### SUFFICIENCY OF INSTRUCTIONAL MATERIALS

**WHEREAS**, the Governing Board of Pasadena Unified School District, in order to comply with the requirements of Education Code 60119, held a public hearing on September 28, 2023, at 6:00 o'clock, which is on or before the eighth week of school (between the first day that students attend school and the end of the eighth week from that day) and which did not take place during or immediately following school hours; and

**WHEREAS**, the Board provided at least 10 days' notice of the public hearing by posting it in at least three public places within the district stating the time, place, and purpose of the hearing; and

**WHEREAS**, the Board encouraged participation by parents/guardians, teachers, members of the community, and bargaining unit leaders in the public hearing; and

**WHEREAS**, information provided at the public hearing detailed the extent to which sufficient textbooks or instructional materials were provided to all students, including English learners, in the Pasadena Unified School District; and

**WHEREAS**, the definition of "sufficient textbooks or instructional materials" means that each student, including each English learner, has a standards-aligned textbook or instructional materials to use in class and to take home, which may include materials in a digital format but shall not include photocopied sheets from only a portion of a textbook or instructional material copied to address a shortage; and

**WHEREAS**, the definition of "sufficient textbooks or instructional materials" also means that all students who are enrolled in the same course within Pasadena Unified School District have standards-aligned textbooks or instructional materials from the same adoption cycle; and

**WHEREAS**, textbooks or instructional materials in core curriculum subjects should be aligned

with state academic content standards adopted by the State Board of Education; and

**WHEREAS**, sufficient standards-aligned textbooks or instructional materials that are consistent with the cycles and content of the curriculum frameworks were provided to each student, including each English learner, as shown on the attached lists; and

**WHEREAS**, laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive;

**THEREFORE, IT IS RESOLVED** that for the 2023-24 school year, the Pasadena Unified School District has provided each student with sufficient standards-aligned textbooks or instructional materials that are consistent with the cycles and content of the curriculum frameworks.

**PASSED AND ADOPTED** this 28<sup>th</sup> day of September 2023, by the following vote:
