Vision: Pasadena Unified School District’s African-American Parent Council (AAPC) is a model coalition of collaborative parents, students, schools, and communities. The AAPC respects and embraces the diverse cultures of our communities, facilitates educational equity and improvements in academic outcomes, values varied forms of parent involvement to foster the healthy development of all students, and provides the tools and skills necessary for families to access information to purposefully participate in a rapidly changing world.

Mission: To honor and embrace the identity and experiences of Pasadena Unified School District’s African-American families, advocate for the cultural acceptance of all, and mobilize and engage all stakeholders to transform the system to ensure a high quality education for every student.

African American Parent Council Priorities:

1. Establish a recognized council whose main objective is to build, bolster, and maintain relationships between parents, students, educators, and community partners.
2. Advocate for a culturally proficient community, culturally responsive learning environment, and culturally relevant curriculum...
3. Create and support meaningful collaborations and partnerships with community stakeholders.
4. Identify, develop, and maintain facilitative African-American leadership and expanded participation in building relationships between schools, community, and families.
